# 1976-1977 NORTH CAROLINA MINORITY BUSINESS DIRECTORY

Office of Minority  
Business Enterprise

Digitized by the Internet Archive  
in 2023 with funding from  
State Library of North Carolina

FOREWORD

The attached listing of minority vendors is a tabulation of companies in the State of North Carolina. It is by no means a complete list and no one has been omitted intentionally. The Office of Minority Business Enterprise wishes to thank the individuals and agencies who have assisted us in the publication of this directory.

The directory is published for information purposes only, and is not to be considered as an endorsement of the supplier, its commodities or services.

We are continually updating the directory and we solicit your assistance in furnishing information pertaining to minority businesses that are not listed.

Natural & Economic Resources

DEVELOPMENT

Dear Directory Users:

The publication of the Minority Business Directory is a reality because of the unrelenting involvement and efforts of many persons, institutions and businesses in North Carolina. The North Carolina Office of Minority Business Enterprise (OMBE) is extremely grateful to these various sectors for their contributions and submission of businesses to include in this Directory.

The Directory does not include all minority businesses in North Carolina. Actually, an inclusive listing is an insurmountable task at the present time. This office however, maintains a file on all minority businesses which have been submitted to OMBE.

Basically, the Directory will serve as an aid to private industries, all governmental agencies (federal, state and local) and any components thereof, to assist in identifying minority suppliers of products and/or services.

Please use this Directory as a mechanism for obtaining economic parity among minority businesses, as a referral source and as a germane tool. There are forms provided in the latter section of the Directory for you to mail in additional names of businesses. This a vital part of our continuous update activity of minority businesses and your cooperation shall be genuinely appreciated.

Again, thank you for contributing toward this publication and lets continue to work together for a common cause that is not only state-wide, but universal!

Sincerely yours,

Jerry M. Dodson, Director
